Classical Liberal Roots of the Marxist Doctrine of Classes
François Guizot was a French historian, political figure, and liberal intellectual, born on 12 September 1874 in Saint-Ouen-le-Pin, Basse-Normandie. He was a significant figure in the liberal party, leading up to the fall of Napoleon in 1870. 

In 1848, Guizot played a role in the French Revolution, becoming a leading figure in the liberal party. His ideas and writings significantly influenced French politics and intellectual discourse. 

Guizot's works, such as “Le Moment Guizot,” were influential in shaping the liberal political landscape in France. His approach to political theory and constitutionalism was seen as a crucial step towards a more balanced and constitutional monarchy. 

In summary, François Guizot was a pivotal figure in the development of liberal thought in France, leaving a lasting impact on the country's political and intellectual history.
