Prisoners of war in the American Revolutionary War
June 3rd, 2020 - Interior of the British prison ship Jersey during the American Revolutionary War 1775-1883. The management and treatment of prisoners of war (POW) was very different from the standards of modern warfare. Modern standards, as outlined in the Geneva conventions, expect captives to be held and cared for by their captors. One primary difference in the eighteenth century was that care and supplies were often inadequate.
